

New Church Building Meeting

Sunday, February 18th at 10 a.m.
Ames SDA Church Fellowship Hall

Kick off meeting for moving forward with plans for finding another facility to meet for church activities. We need everyone to come with ideas and input regarding a different location.

A building committee will be chosen and voted on. They will use input from this meeting as a guide to proceed in exploring options.

Please sign up (in church lobby) for bringing items for a **Haystack Fellowship Meal** to conclude the event.

Please see Norm Miller for questions.
